

Story Starters

You probably read lots of fun books. Now it's time to start writing your own! Choose one of the following story starters and write your story.

1. I lay awake listening to the spooky night noises of the Amazon rainforest. Insects buzzed and birds screeched. And then I heard the strangest noise. It sounded just like . . .
2. I couldn't believe I was finally going to Austria. My friend met me at the airport. The first thing we did was . . .
3. I stepped off the plane in Mexico. The air was warm and humid. It was a welcome change from the snowstorm I'd just left. I had been looking forward to this trip for a long time. I scanned the crowd for Patti's friendly face, but I didn't see her. What I saw instead made me wish I'd never gotten on the plane to begin with. . . .
4. Nong May and I decided we would help out at the orchid farm for the day. We had so many great ideas for ways to sell orchids to the people who came to tour the farm. We made hair ties out of the orchids. We set up a photo booth to take pictures with the orchids. We even talked to our parents about making an orchid perfume. It was like a dream come true until . . .
5. The Amazon rainforest is full of creatures that creep, crawl, slither, and fly. The day we set out to explore would have been perfect except we met up with the wrong creature at the wrong time. It began like this . . .
6. I always thought I'd love to live in a castle. But I was surprised when . . .
7. I met Jared at the Elephant Rescue Center to help out for the day. Everything would have been fine except that Pee Aran got hit in the face by an elephant's trunk. Pee Aran flipped out. The elephant flipped out. And that's how my most memorable experience in Thailand started . . .
