

Snakes of the Amazon

Name:

Sofia thought her brother Aldo would love to see the tree boas of the Amazon. So, she decided to make one when she got home.

Materials

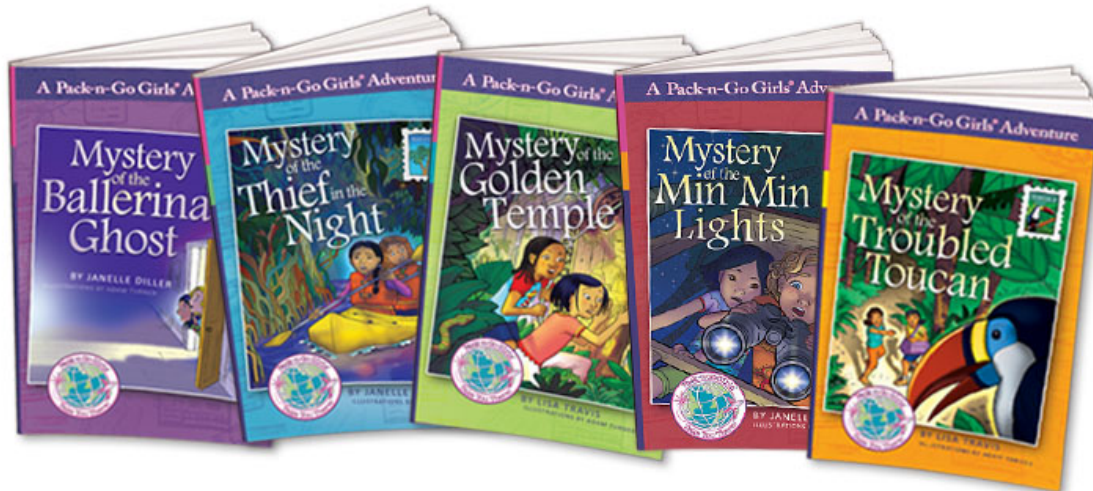

- Scissors, Glue, and Crayons
- Paper plate
- Tin foil, cut into small triangles (10-20 pieces)
- Small piece of red paper
- String

Steps to Success

1. Color the paper plate. The whole plate. Any color. Any design.
2. Cut the paper plate in a circular path from the outside to the inside. You can draw a line on the paper plate before or after coloring to make it easier.
3. Glue on tin foil "scales."
4. Glue on googly eyes or draw on eyes.
5. Cut out a tongue from the red paper and glue it on.
6. Punch a hole near the head and tie the string on to hang your snake. Hopefully it won't keep you awake at night!
