

# Weather in Thailand

Name:

In most parts of the United States, we have four seasons with different temperatures: winter, spring, summer, and fall. The weather in Thailand is a tropical climate that is generally warm most of the year. In Chiang Mai, the northern part of Thailand, there are three main seasons: 1) the rainy season from July to October, 2) the cool season from November to February, and 3) the hot season from March to June.

**Nong May and her brother live in the northern part of Thailand. Use this information about her region to answer the questions on the next pages.**
